

LLANDRINDOD MAY FAIR 2019

Celebrating the best of everything LOCAL

The Metropole Hotel, Bank Holiday Monday 6th May 2019, 11am - 4pm

The May Fair is an interactive event showcasing everything that is wonderful about our town and is your opportunity to get out there to talk about your group/club/organisation/service/business to those attending. For visitors, the May Fair is a chance to discover what is going on in the local community, to find out more about local businesses and to make contacts they may not otherwise make.

Priority in stall allocation will be given to Llandrindod-based exhibitors and those helping us to celebrate our local community by offering a children's activity, or a display about their work in Llandrindod, or a demo or other entertainment for visitors in addition to their own sales, promotions, fund-raising and recruiting.

This year we would like the May Fair to be a plastic free event as far as possible, so if you would like to have a stall, please bear this in mind with your offerings. We also plan to host a 'zero waste area' to encourage visitors to think about, and find solutions to, reducing the amount of waste produced day to day.
